Latex double coating

Kevlar® and steel liner with
TOWA ergonomic design

FEATURES

- Highest level of cut resistance in CE standard achieved by combining Kevlar® and steel fibers for increased safety.
- The 10 gauge liner coupled with latex double coating provides excellent durability for the most strength demanding and heavy tasks.
- The crinkle finish provides reliable grip and avoid finger prints, making it ideal for the glass industry.
- Certified to sustain contact heat up to 250 degrees Celsius for 15 seconds.
