

Article Datasheet

Art.No.: 6336

**ORIGINAL-ALFAFLEX 1/2" *LENGTH*
ASSEMBLED**

Article Description:

Covering: PVC

inner tube PVC

reinforcement polyester yarn

color yellow

· ATH: Anti Torsion Hose

· very high quality water hose, 5 layers

· narrow, smooth inside bore, which reduces the pressure loss · a

stronger inside layer, which guarantees non-kinking

· flexible and pressure-resistant by the double woven Polyester threads

· Temperature range: -10 °C - +60 °C

• flexible, torsion & pressure resistant

• UV-stable non-algae free of cadmium with couplings
